Subject: Lawyers being disbarred for speaking their conscience

To whom it may concern:

I am a voting resident of Montana. I firmly oppose the proposed amendment to limiting lawyers freedom to speak their conscience. This is a right that each American holds dear as lives have been lost historically to secure this basic right.

I feel the state of Montana would be overstepping its boundaries. Our conscience is God given and one should not be forced to violate it to be in accordance with a mandate.

Sincerely:

Angela Arnett
